Dietary Requirements

The tour company advise us:

Please be advised that whilst every effort will be made to meet any dietary requirements, these may not be guaranteed. Dislikes cannot be catered for. In most cases, we are able to cater to vegetarians but other preferences are unlikely. Please consult us if you have a specific question regarding airline or ground arrangements. We will be happy to assist in any way we are able.

If there are any requests please email into school (sjones or gsmith @stmargaretsacademy.com) and we will tell the tour company

ESTA Reminder

Please be aware that we need the ESTA and additional ski and travel information as soon as possible.

NB also it has come to our attention that the passport used must be the biometric version which has this symbol on the front.

It is possible that students may have the old non-biometric version, please check.

Please do not hesitate to contact me at school should you require any assistance.

Yours sincerely

Mr S Jones.
(Alpine Ski Course Leader)
