St Margaret’s Academy
Admissions Policy from 15th April 2019

Introduction
1 St Margaret’s is an 11-18 Church of England Academy in the Diocese of Liverpool. The Academy Trust decides St Margaret’s Admissions Policy (this document). It is administered by the Governing Body’s Admissions Committee. When considering admissions, the Governors must act in accordance with the School Admissions Code, a document which is published by the Government. The current (2014) edition of the Code is online at:

2 This policy will come into force on 15th April 2019, and will be used for all applications received after that date – including those for admission into Year 7 in September 2020.

3 Liverpool Local Authority co-ordinates Admissions in Years 7 to 11 across Liverpool. This means that to apply for a Year 7 place for September 2020, parents must name St Margaret’s as one of their choices on their Local Authority Preference Form.

4 After some general points, this Admissions Policy is split into three sections, and after that there are two appendices.
   • Section A sets out how we allocate places at the Academy to boys who will start in Year 7 in September 2020.
   • Section B sets out how we give places to young men and women in Year 12 each September.
   • Parents may apply for a place at St Margaret’s at any time; Section C sets out how we respond to such applications.
   • Appendix 1 gives some important dates for admission into Year 7 in September 2020.
   • Appendix 2 gives the current versions of three forms:
     ➢ SMA1: Supplementary Information Form (Faith/Social or Medical Need)
       This form is for those who wish to apply for admission on the basis of medical or social need (see paragraph 12), or on the basis of faith (see paragraphs 13 to 15)
     ➢ SMA2: Registration for the Test
       This form is for those who wish to apply for admission on the basis of ability (see paragraph 15)
     ➢ SMA3: Appeal Form
       This form is for those wishing to appeal against a decision not to offer a place (see paragraph 8).
     All three forms are available on our website.

General points
5 St Margaret’s is a Church of England boys’ Academy with a mixed Sixth Form. Only boys are admitted to Years 7, 8, 9, 10 and 11.

6 The Published Admissions Number (‘PAN’) for each year-group (except the Sixth Form) is 160 boys. We will not admit more than this number to any year-group unless:
• we are directed to do so by an Appeals Panel (see paragraph 8); or
• we are directed to do so by Liverpool Local Authority under an arrangement such as the Fair Access Protocol (a local agreement that allows the Authority to find schools for hard-to-place pupils).

7 Some applicants may wish to apply for a place outside the child’s normal age-group. This may be appropriate if the child’s education has been disrupted by ill-health, for example, or if the child has been educated outside their year-group in a previous school. Under such circumstances, applicants should contact the Principal (admin@stmargaretsacademy.com) in the first instance.

All such requests will be considered by the Admissions Committee in line with the prevailing School Admissions Code (Section 2.17ff).

8 Any applicant refused a place has a right of appeal to an Independent Appeal Panel. An appeal form, SMA3: Appeal Form, will be included with any letter we send refusing a place at St Margaret’s, and is available on our website. An appeal hearing will be arranged within 40 school days of the appeal being lodged; both the Academy and the applicant will be invited to attend the hearing in person. At the hearing, an Independent Appeal Panel, comprising three independent members, will consider reasons for the appeal and will decide whether the child should be admitted. Its decision is binding. More details about this process will be sent out before the hearing. A Government Code of Practice sets out how we deal appeals; the current (2012) edition is online at: http://www.education.gov.uk/aboutdfe/statutory/g00213244/school-admission-appeals-code-2012

Section A: Admission into Year 7

9 If 160 or fewer boys apply for places, all will be admitted. If more than 160 boys apply, the following paragraphs set out how the 160 places will be offered. There will be two Categories for admission:

Category 1 (136 places)
This consists of:
• Boys who are “looked after” or previously looked after (paragraph 10)
• Boys with a Statement of Special Educational Need that names St Margaret’s as the only school the boy can attend (paragraph 11)
• Boys who have particular medical or social need (paragraph 12)
• Boys who have a parent who has been employed by St Margaret’s Church of England Academy for a period of time (paragraph 13)
• Applications on the basis of faith (paragraphs 14 and 16)

Category 2 (24 places)
This consists of:
• Applications on the basis of ability (paragraph 17)

10 A Looked After Child is a child who is:
• either (a) in the care of a Local Authority,
• or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989) at the time of making an application to the school.
Any boy who is a “Looked After Child”, or who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order, will be admitted under Category 1.

The Governors will act in accordance with Local Authority advice to determine whether a boy meets this definition.

11 Any boy with an Education, Health and Care Plan that names St Margaret’s as the only school the boy can attend will be admitted under Category 1.

12 Up to 3 boys will be admitted under Category 1 because of Medical or Social need. In order to be considered for admission on these grounds:

- Section C of Supplementary Information Form SMA1 (available from our website) must be completed
  - by a suitably qualified medical professional (in the case of medical need); or
  - by a suitably qualified social worker or other appropriate and suitably qualified professional (in the case of social need);

and

- the professional completing Section C of Supplementary Information Form SMA1 must confirm that St Margaret’s is the only school that can meet the boy’s needs, or the best-placed school to do so.

Having regard to the professional’s advice, we will then first admit those boys whose needs are such that St Margaret’s is the only school that can meet them, and then those boys whose needs are such that St Margaret’s is the best-placed school, up to a maximum of 3 boys. If necessary, distance will be used as a tie-break within each group (see paragraphs 12.1 to 12.3 below).

12.1 Distance tie-break
If a distance tie-break is required, boys who live closest to the school will be given priority. The direct distance between the home address and the main school gate will be calculated by the Local Authority using a computerised mapping system. In the event of more than one pupil living the same distance from school, random allocation will then be used as a tie-break – see paragraph 15.

12.2 Home address
The boy’s home address must be the current one at the time of application. Where the parents live at different addresses, the current-at-the-time-of-application, normal address of the boy will be the one used (but see paragraph 12.3 below). We may seek further confirmation of home address by requesting sight of a council tax bill, utility bill or bank statement header.

12.3 Children of UK service personnel
We will not refuse a service boy a place solely because the family does not currently live locally. We will therefore accept an official letter that confirms a relocation date, and a Unit postal address or quartering area address, as evidence of a home address, even if it is not the “current-at-the-time-of-application, normal address” of the boy.

13 Children of members of staff
After admitting boys through paragraphs 10, 11 and 12, we will admit any boy whose biological parent or legal guardian has been employed continuously by St Margaret’s Church of England Academy since 1st September 2016.
14 Christian applications

After boys have been admitted through the criteria in paragraphs 10, 11, 12 and 13, all bar 5 of the remainder of the 136 places in Category 1 will be offered on the basis of Christian commitment, measured as described below. Those wishing to be considered for these places are strongly advised to complete and return the Supplementary Information Form, SMA1: Supplementary Information Form (Faith/Ability) (available from our website), and to ensure the information on it is verified by a church leader. Not to do so is likely to decrease the chances of an application’s success.

Because of the potential for a conflict of interests, it would not be appropriate for a church leader who happens to be related to an applicant to complete a form in respect of that relation. In such cases, the form must be signed by another leader in the church.

14.1 If there are more applications for admission on the basis of Christian commitment than there are places on offer, each such application will be allocated points. Points will only be given where the information required has been verified by the leadership of the church attended (normally the priest in charge of the church). A total of 100 points are available, awarded as follows:

</tbody>
</table>

The total number of points will be used to put the applications in rank order; those with higher scores will have priority over those with lower scores. If two or more applications have the same score, a distance tie-break will be used (see paragraphs 12.1 to 12.3).

A minimum score of 12 points will be required for an applicant to be awarded a place through this route.
14.2 *Christian Churches*
We define a Christian church as any congregation that believes in the Trinitarian God (God the Father, God the Son and God the Holy Spirit) and that affirms the beliefs and doctrine of the Apostles’ Creed.

14.3 *Regular Christian Service*
We define a ‘regular Christian service’ to be a recurrent act of worship by a Christian church, which is open to the public, and which is free to attend.

14.4 *Parents*
We award points for parental attendance (through questions 4.1, 4.2 and 4.4). For these questions, the Governors would define the word ‘parent’ as including any parent/carer, step-parent or biological grandparent of the boy concerned. However, if points are being award on the basis of a biological grandparent’s church attendance, the biological grandparent must have attended church with the boy in question. The Governors reserve the right to seek clarity on this point from the church leader completing the form in cases where there is reasonable doubt that this is the case.

14.5 *Provision for disabled applicants*
We recognise that some groups of people are less able to attend regular services at church than others. If the church leader who signs the form is able to confirm that either the parent, or the boy, is disabled, and the nature of their disability would prevent them from attending a regular Christian service, then we will regard attendance at any regular church activity (eg a mid-week fellowship group) as an acceptable substitute for attendance at a regular Christian service.

15 *Random tie-break*
At points in this Policy, we refer to “random allocation” being used as a tie-break. This means that when two or more boys need to be ranked randomly, we will use the ‘random number’ facility in a spreadsheet to produce a ranking; each boy involved will have an equal chance of being selected. The process will be independently observed by a representative from Liverpool Local Authority, and will be repeated whenever an extra place needs to be allocated.

16 *Other World Faith applications*
The remainder of the 136 places in Category 1 will be allocated on the basis of commitment to Other World Faiths. We recognise 8 such faiths:
- Buddhism;
- Hinduism;
- Islam;
- the faith of Jehovah’s Witnesses;
- Judaism;
- Mormonism;
- Sikhism; and
- Unitarianism.
Those wishing to be considered for these places are strongly advised to complete and return form SMA1: Supplementary Information Form (Faith/Ability) (available from our website), and to ensure the information on it is verified by a leader in the relevant faith community. Not to do so is likely to decrease the chances of an application’s success.

For Other World Faith applications, places will be offered where both a parent and the boy can demonstrate that they have been an active member of the faith community, attending
worship at least four times per month for the last two years. If two (or more) adults share parental responsibility, one such adult must be named for the commitment to be confirmed. The commitment must be verified by a recognised leader of the faith community. Because of the potential for a conflict of interests, it would not be appropriate for a faith leader who happens to be related to an applicant to complete a form in respect of their relation. In such cases, the form must be signed by another leader in the faith community.

The provisions for disabled applicants outlined in paragraph 14.5 apply to Other World Faith applicants too.

If the number of applicants able to demonstrate the defined level of commitment exceeds the number of places available, distance will be used as a tie-break (as set out in paragraphs 12.1 to 12.3).

Applicants must be able to demonstrate the defined level of commitment to be awarded a place under this category, and should note that the Governors do not include biological grandparents as parents for Other World Faith applications.

17  Category 2 applications
We will allocate the final 15% of the 160 places (ie 24 places) through academic selection. An entrance exam will determine which boys are offered places through this route. Parents who wish their son to take the exam should advise the school in writing, using form SMA1: Supplementary Information Form (Faith/Ability) (available on our website). Parents should contact the school if their son requires any special arrangements for the exam. The exam will be held in September before the year of entry. Parents will receive the outcome of the exam in advance of the closing date for applications to schools and also in advance of the submission date for the Local Authority Preference Form.

If there are exceptional documented circumstances (eg illness, covered by a doctor’s note) why a boy cannot sit the entrance exam, we will offer him an opportunity to sit the examination in the following week. Once these exams are over it is not possible to offer further dates.

Once the exam has been taken, all applications under this category will be ranked, with those with higher scores having a higher priority than those with lower scores. If two boys have an equal score, a distance tie-break will be used (see paragraphs 12.1 to 12.3). A boy will only be offered a place in this Category if he has not been allocated a place through Category 1.

18  After places have been awarded in Category 1 and Category 2 above, any remaining places will be awarded to applicants who have named St Margaret's on the Local Authority Preference Form. All such applications will be ranked using the distance tie-break described in paragraphs 12.1 to 12.3, with any remaining places being allocated to those who live closest.

19  Late applications
- If there is an acceptable reason why an application, or associated paperwork, is submitted late (eg a family has only just moved into the area), it will be considered alongside other applications from the point at which it is received.
- If no reason is given for the late submission, or if any reason(s) given for lateness is/are not acceptable, the application will only be considered after all the other applications have been processed.

Parents should be aware that a late application could reduce their chance of gaining a place at their preferred school.
 Fraudulent applications
If it is discovered that a boy has been awarded a place as the result of an intentionally misleading application from a parent, and this effectively denies a place to a boy with a stronger claim, then we will withdraw the offer of the place. The application will be considered afresh using the correct information (as a late application without an acceptable reason for lateness – see paragraph 19).

 Waiting list
Applications that do not receive an offer will be held on a waiting list. The waiting list will be ordered using the criteria described above, and will be maintained until the end of the first term of the academic year.

 Re-applying
If an application for a place has been unsuccessful, unless there has been a significant change of circumstances the Governors will not consider any further application for a place for the same boy until the following academic year.

 Section B: Admission into the Sixth Form

 As well as our own Year 11 students (referred to as Internals), the school admits students who are studying for GCSEs at other schools (referred to as Externals). The Admissions Number for Externals is 50. If spaces remain on appropriate courses for other External students, this number can be exceeded. St Margaret’s has a mixed Sixth Form and welcomes applications from both young women and men.

 All applicants – Internals and Externals – are treated equally and are offered a consultation to ensure that they are matched to the courses that will most likely lead to their future success. Admission requirements for each course at either Level 2 or Level 3 are to be found in the subject details published by each department. Where a course is oversubscribed, ‘looked-after’ students (as defined in paragraph 10) will be admitted first, and random allocation will then be used (as described in paragraph 15).

 Unsuccessful applicants may appeal – see paragraph 8.

 Section C: In-year admissions

 We welcome applications for a place at St Margaret’s outside the normal round of admissions, and into any year-group.

* If the application is for a place in a year-group that is already full, the application will be refused, and the applicant offered an appeal – see paragraph 8.
* If the application is for a place in a year-group that is not already full, a place will be given, subject to the bullet-point below.
* If more than one application is received, and the number of applications exceeds the number of places available, the applications will be ranked firstly by Christian commitment (using the process described in paragraph 13), and then by commitment to another recognized World Faith (using the process described in paragraph 16). All other applications will be ranked using the distance tie-break (as described in paragraphs 12.1 to 12.3). Place(s) will then be awarded to the applicants in rank order until the year-group is full. Unsuccessful applicants will be offered an appeal – see paragraph 8.
In-year Admissions are co-ordinated by the Local Authority.

Form SMA2: Registration for the Test

- This form should be completed for any boy who wishes to apply for a place at St Margaret’s on the basis of ability.
- The parent should then return this form to the Admissions Clerk at St Margaret’s Academy by **Friday 6th September, 2019**. Not to do so is likely to decrease the chances of an application’s success.
- This form should be read alongside our Admissions Policy (available from our website).
