

# Careers Events

**STFC Daresbury Laboratory** is a government funded Lab, working mainly in the fields of Engineering, Physics and Scientific Computing. Every summer we offer work experience to high school students, aged 14-18. This year we were able to place 60 young people with scientists and engineers, throughout the summer, for one week of work experience.

Applications for the 2019 programme are now open . We are hoping to work with schools to encourage even more young people to apply for work experience at our Lab. To find out more about the departments offering work experience, please take a look at our website: <https://stfc.ukri.org/about-us/work-with-us/work-experience/workexperienced/> Students can apply for a place via this link.

# Retail Degree Apprenticeship

- **We'll make you into a brilliant retail manager.**
- **You'll make Morrisons.**
- Now you don't have to choose between starting your career or studying towards a degree. At Morrisons, we are giving hard-working school and college leavers the chance to have the best of both worlds.
- Our Retail Degree Apprenticeship, delivered in partnership with the University of Bradford and Sheffield Hallam University, allows you to work towards a degree while preparing for a brilliant management career within our unique food retail business. Not only do we pay all your course fees for you, but you also get to work and earn a salary while you're studying – so money is never a concern.
- While you're working with us, you'll also be studying towards a Bsc (Hons) Management and Business at the University of Bradford. Balancing work and a degree course will be challenging. But we'll offer you at least half a day leave a week to concentrate on your university studies. And, in return for your hard work and determination, you'll gain full chartered membership of the CMI (Chartered Management Institute).
- **What you'll need to join us**
- We're looking for resilience, determination and good leadership skills, along with the flexibility to meet the changing needs of our business. You'll also need a minimum of 104 UCAS points (based on the new UCAS tariff or 260 based on the old tariffs).
