# Half-Term Holiday Courses at Jaguar Land Rover

## Halewood

Inspiring Futures 1 day course for 14 to 16 year olds

**Thursday 21st February (Course Code – IF Hale)**

A special one-day 'Career Focused' course aimed at providing young people with an insight into the world of work and pass on valuable advice about career choices and opportunities.

The course will run from 09.00 until 4.00 pm, and will include a comprehensive tour of the Halewood production process, as well as hands on centre activities and careers advice and planning.

Students attending the course will find out about a variety of careers and meet employees from across Jaguar Land Rover within a range of careers from manufacturing, engineering, apprenticeships, HR etc. The cost of the course is £40 per person – which can be paid in advance BAC's transfer or paid on the day by cash or cheque (preferably cheque), and each child will need to bring a packed lunch on the day.

There will be limited spaces on these courses and places will be allocated on a first come, first served basis.

To request a booking form or for more details about any of the above courses please contact Maureen McGuire via the e-mail address below.

# Calling Year 12s

## Surrey University Summer School

### About the Summer Schools

Our Residential Summer School programme offers students the chance to experience studying a subject that they love at university. Students will learn in an academic environment, working with students from other schools and colleges, undergraduate and postgraduate students, and academic staff. The programmes will include lectures, seminars, practical activities, and a variety of fun social events each evening.

# Degree Apprenticeships at Rolls-Royce

## **Degree Apprenticeships and Professional Training Programmes**

If you're just finishing your A-Levels (or equivalent) and want to pursue qualifications while getting a head start on your career, our apprenticeships and school leaver programmes are the perfect alternative to university. Whatever your passion, from science and engineering to project management, with us you'll not only get to mix hands-on training with classroom study, you'll be paid to do it. So you'll gain industry recognised qualifications or even a degree, debt-free. What's more, you'll get exposure to incredible professionals who want to share their knowledge with you and help you get to where you want to be.

From Account Management to Digital and Technology Solutions we have a range of courses to suit you. Applications are on line- go to the link to discover more

<https://careers.rolls-royce.com/united-kingdom/students-and-graduates/apprenticeships-and-school-leavers/a-levels>

# Hugh Baird College

There are 2 open evenings coming up- Wednesday 30<sup>th</sup> January at South Sefton Campus and Thursday 7<sup>th</sup> February at Balliol Road Campus.

There are also A level taster days-

09.07.19      8.45-11.45

09.07.19      12.30-3.30

10.07.19      12.30-3.30

11.07.19      12.30-3.30

# HSBC- Looking for a career in the world of Banking?

There are exciting Work Experience opportunities now open for applications at HSBC.

The HSBC Work Experience Programme is designed to encourage students from different social-economic backgrounds to find out about banking with a view of joining HSBC either after university or after school through the apprenticeship or undergraduate programmes.

The programme offers a five day shadowing experience to students in the later years of full-time secondary education, sixth form or college. The programme was set up with the idea to help young people gain an insight into a professional environment, as well as the banking industry.

All Work Experience opportunities will be available through June, July and August 2019. Specific details regarding each opportunity are available on each advert, to be found here:

[https://hsbc.taleo.net/careersection/external/moresearch.ftl?lang=en\\_GB&location=5536170451648&keyword=HSBCWE2019%22&Location=Europe](https://hsbc.taleo.net/careersection/external/moresearch.ftl?lang=en_GB&location=5536170451648&keyword=HSBCWE2019%22&Location=Europe)

The application process will entail some online questions and if successful, a telephone interview. To help prepare for this, we recommend checking out our Application Hints and Tips page here:

<http://www.hsbc.com/careers/application-hints-and-tips>.

All applications should be submitted before the deadline of **27<sup>th</sup> January 2019**. As places will be limited, we will be offering placements on a rolling basis, therefore students should apply early to avoid disappointment.

For further information on the programmes please see our main page here:

<http://www.hsbc.com/careers/students-and-graduates/programmes/uk-work-experience-programme>.

# School Leaver Management Degree Apprenticeship

## Job Purpose

Developed in partnership with Lifetime Training and Manchester Metropolitan University, our School

Leaver Degree Apprenticeship initially leads to a 1-year Level 3 apprenticeship in Hospitality Supervisor followed by a 4-year BA Hons Degree in Business Management (level 6).

The programme spends three-to-four day residential blocks on campus in your second year. It's a great opportunity to gain loads of practical experience and get stuck into the student experience –all without any of the debt.

We're looking for people that are comfortable rolling up their sleeves and getting involved. Quick learners that have providing a great customer experience and delivering high standards at the top of their minds.

The ability to maintain high energy levels whilst working efficiently is also essential.

Finally, we are looking for those that have an aptitude towards problem solving, decision making and motivating, leading and inspiring people.

To apply you'll need to have 104–112 UCAS points (A level grades BCC – BBC) or equivalent alternative qualifications.

You will also need GCSE grade C or 4 in English and maths.

Application deadline:

15/02/2019

Job type:  
School leaver  
programme/scheme

Location of vacancy:  
Nationwide

Length of programme:  
5+ years

Resulting qualification:  
Degree qualification

Salary:  
£16,000

Days' holiday:  
34 (including bank holidays)

Sectors:  
Business, Hospitality and travel,  
Retail, buying and fashion

# Aerospace Degree Apprentice BAE Systems

As an Aerospace Degree Apprentice at BAE Systems you will be prepared for a professional career in the aerospace industry, involved in areas such as design, development, testing. Explore the reality of aircraft design, aircraft performance, flight dynamics and control systems and how you can make a difference.

## What Does The Apprenticeship Involve?

During your apprenticeship will learn various hand fitting techniques such as creating aerofoil sections, pipe fitting, pneumatics and use drills on different types of metals. You will have the opportunity to learn these techniques both on and off the job and apply to real work projects in the Air Sector through a number of placements where you may even find yourself working on site with our customers.

Former apprentices have gone on to be employed in roles such as Flight Systems Engineer, Mission Systems Engineer, Systems Integration Engineer, Support Engineer and Airframe Specialist.

There are also apprenticeships in Software Engineering Project Managing and Finance

Intermediate Level Apprenticeship

### Reference number

VAC091106008

You will receive exceptional training from our team of fully qualified Senior Technicians in the latest techniques for assessing and repairing damaged vehicles.

These techniques include:

- Damage assessment
- Assessment reports
- Repairing and Replacing Broken Parts
- Panel removal, repair and refit
- Vehicle valeting to pristine condition

## Requirements and prospects

### Desired skills

No skills are required as we will provide all the training needed for the role, just bring your enthusiasm and a willingness to learn

### Personal qualities

You will need to demonstrate a strong passion for the industry and a positive attitude to work.

### Desired qualifications

There are no entry requirements to apply, we will support you to develop your skills in English, maths and ICT.

### Future prospects

You will be a fully qualified Vehicle Body Repair Technician with the skills to continue your career with us.

### Things to consider

The apprenticeship last for 18-months and will require dedication for the duration of the programme.

The National Minimum Wage for an apprentice is £3.70 an hour from April 2018. This rate applies to apprentices under 19 and those aged 19 or over who are in their first year. Apprentices must be paid at least the minimum wage rate for their age if they are aged 19 or over and have completed their first year. The minimum wage rates are £5.90 an hour for 18-20-year olds; £7.38 for anyone aged 21 to 24 and £7.83 for those over 25.

Apprentices are paid for their normal working hours and training that's part of their apprenticeship (usually one day per week).

# Manchester Outreach Medics Event

You have been invited to an upcoming event on **Saturday 23rd February 2019** for Year **12** (lower sixth) sixth formers who wish to study Medicine at university. Students need only apply via the link below.

The event is being run by current Medical Student volunteers for the project **Manchester Outreach Medics (MOMs)**, a branch of University of Manchester Students' Union.

- The event will give attendees the opportunity to take part in various activities that will give you the skills to apply to Medical School:
- PBL Communicating with simulated patients
- Practical Skills
- Lectures on life at medical school and applying to medical school
- Q&A with Medical Students
- Health Politics and Ethics

# Manchester Outreach Medics Event continued..

A limited number of places are available. To **register their interest**, the only thing sixth formers need to do is complete the survey below by 16th February 2019:

<https://umsu.onlinesurveys.ac.uk/moms-event-23rd-february-2019>

A timetable for the day has been attached to the e-mail sent to sixth form teachers, and students will be given one of these on arrival. Attendees should arrive for registration between **10:00am to 10:45am**.

The event is being held at:

**Education Centre 1 (also known as Health Academy 1),**

**Lancashire Teaching Hospitals NHS Foundation Trust Royal Preston Hospital**

**Sharoe Green Lane, Fulwood, Preston, PR2 9HT.**

Those who have been allocated a place will be contacted 7 days before the event to confirm. If a sixth former is not contacted, they will not have received a place. We apologise for this but we have a limited capacity due to funding and safeguarding limitations. We honestly would take everyone if we could! On the day we require you to **bring a completed parental consent form and photograph consent form**, which are attached in this email.

Please contact us if you have any questions.

# Careers in medicine dentistry and veterinary science

This Study Guide is produced by Dr Lauren Quinn and her team of scholars, to help you keep your knowledge and skills up-to-date.

Dr Quinn will be discussing the Study Guide answers on the 5th February. You can watch the webinar on YouTube, and ask questions live for her to answer.

To make sure you students receive their free copy every month, encourage them to [sign up!](#)

Follow the link below to access the guide-
