- A range of fun and challenging projects and tasks throughout the week
  - Virtual site tours, Q&A panels and interactive webinars featuring Wates apprentices and industry professionals
  - A chance to explore opportunities in the industry and learn more about the roles available
  - Build employability skills such as good communication, presentation skills and team working
  - Opportunity to network with industry professionals, gain a reference and build on your CV
- Open to students aged 14-19 in Liverpool City Region

<https://growthplatform.org/enhancing-skills/careers-hub/>

## **Kennedys Law LLP, Virtual Work Experience**

Kennedys are a global law firm with expertise in dispute resolution and advisory services. The Kennedys Virtual Work Experience Programme will allow students to take the first step of their legal career with a global law firm that does things differently. The four module programme offers real work experience as students and graduates will complete tasks to gain legal analytical skills, develop legal knowledge of the insurance industry, and learn critical legal communication, research, and drafting skills. The programme is free and open to all students and graduates, from a law or non-law background and no legal experience is required. The programme takes around six hours and can be completed at one's own pace from any location. Once complete, students and graduates will receive a certificate which can be referenced on their CVs.

Please register [here](#) and if you have any questions about the Virtual Work Experience Programme, please email the Recruitment Team on [recruitment.admin@kennedyslaw.com](mailto:recruitment.admin@kennedyslaw.com).

## **Brighton and Sussex Medical School, Free Virtual Work Experience**

This online course provides a 'virtual' work experience for those looking to apply to medical school. You will be introduced to the NHS before exploring the roles and skill sets of six different medical specialists. Along the way, you will also consider some of the challenges and wider issues doctors face. Find out more [here](#).

## **Royal College of GPs, Free Virtual Work Experience**

Observe GP is an alternative to work experience for aspiring medics aged 16 and over, who are living in the UK. It is a free interactive video platform providing insights into the role of a GP and the wider primary care team. Find out more [here](#).

## **HSBC Work Experience Opportunities 2021 – Liverpool**

The Work Experience programme at HSBC UK offers a five-day shadowing experience to students in the later years of full-time secondary education, sixth form or college. The programme has been set up with the idea to help young people from different social-economic backgrounds to gain an insight into a professional environment, as well as the banking industry.

Applications close 21st February 2021

More information can be found [here](#) and students can apply [here](#).

## **Uptree, Sixth Form Virtual Work Experience Days with Top UK Companies**

Calendar and details of how to sign up can be found [here](#).

## **Morgan Sindall Construction – Virtual Work Experience**

Morgan Sindall Construction are looking to offer a virtual work experience week to students aged 14 – 19 in Liverpool City Region (Liverpool, Sefton, Knowsley, Wirral, Halton).

Students will work in teams of 6, each taking on a different job role and will have to complete a design project, including; cost, programme, load bearing and demonstrating environmental considerations.

We partner with Speakers for Schools and deliver it via Google Classrooms. This will ensure we comply with safeguarding and GDPR requirements.

If you are interested, please complete the Careers Leader survey [here](#).
