Students are invited to come along to an **National Apprenticeship Week Showcase Event with The Sovini Group** on **9 th February 2021**

A live event delivered via Zoom 3.30pm – 4.30pm ,Elevate EBP are hosting an open event via Zoom with The Sovini Group to showcase their apprenticeships programme and offer.

The Sovini Group achieved 1st position as both the UK's Best Workplace and UK's Best Workplace for Women. The Sovini Group was also ranked as Europe's 3rd Best Workplace. We are a property management and development company that continues to grow from strength to strength and the success of our commercial members provides investment in social housing and our local communities. As a company we believe our people are our greatest asset. We celebrate diversity and are proud to be an equal opportunities employer and we encourage applications from every member of society.

The event is open to all students from across **The Liverpool City Region from Year 11 and 6th Form**, we want to invite you (and your parents/guardians if they can attend) to learn more about what opportunities are available to you.

You will find out about The Sovini Group and the process involved in applying for our roles

- You will see the variety of apprenticeships on offer across our organisation **from Business Administration, Gas, Electrical, Ground Maintenance, Plastering, and much more**
- You will be given tips about applying for our apprenticeships and how to sell yourself
- You will hear about the 'journey of an apprentice' with the opportunity to talk to various members of staff from all departments

We currently have 45 apprentices working with us in a variety of roles and we pride ourselves in ensuring that we offer the best possible journey for our apprentices to develop the necessary skills. You can register your interest in any of our apprenticeships by adding yourself to our mailing list and start to build networks to plan for your future. Join us for the hour to find out more and start thinking about your next steps.

This is an open, live event via Zoom for students and their parents. Please register to attend by visiting Eventbrite by clicking [here](#)

The former teachers turned football managers are the latest star names in the **University of Lincoln's Live Lounge series of online talks and Q&As.**

The duo will draw on expertise in sports theory and practice, business, leadership, decision-making and psychology and use the A Level curriculum for these subjects to bring football to life in a new way, in conversation with subject specialists from the University.

Danny and Nicky will also be posing some challenges of their own to the audience!

All of the talks will be available to watch live on Facebook, YouTube and on the University of Lincoln website. You can also catch up when you want via our Lincoln on Demand platform.

* Wednesday 3 February, 3pm-4pm:

Factors affecting optimal performance in physical activity and sport - exercise physiology and biomechanics, sport psychology, sport and society and technology in sport. Other key areas for discussion include coach and athlete relationships, building togetherness, shared leadership, key qualities for performing under pressure and mental health (in football and sport). Danny and Nicky Cowley will be joined by Dr Sandy Wilmott, Associate Professor – School of Sport and Exercise Science.

* Wednesday 10 February, 3pm-4pm:

Sport psychology - With Danny and Nicky Cowley and Dr Trish Jackman, Lecturer in Sport and Exercise Psychology.

The series will also consider:

- * The diversity of factors affecting sporting performance (sports science, performance analysis, sports medicine, culture, coaching, PE etc.) and how they interact
- * How the application of knowledge in these areas might need to be tailored to different levels: high-performance settings, PE/school teams, and grass roots
- * How data can best be combined with "human" factors in decision making

DR.EAM Dentistry Virtual Conference

Birmingham Widening Access to Medical Sciences society (BWAMS) is hosting its annual **DR.EAM Dentistry Conference** this year. The DR.EAM Dentistry Conference is a **free** outreach event aimed at **Year 10-13 students** who are considering a career in Dentistry.

Our aim is to inspire and inform students about a career in Dentistry. We will provide students with an insight into life as both a dental student and dentist, as well as advising on next steps to prepare for an application. The day will consist of inspiring talks, workshops and panels made up of dentists and dental students from around the country. Workshops will include an introduction to clinical skills, Q&A with dental students from different universities and work experience advice.

Widening Access at the Medical School will be helping us in the selection of these students according to the University's widening access selection criteria, with priority given to pupils from areas with a low number of students attending University for this event.

We encourage you to share this opportunity with your Year 10-13 students.

This **free virtual conference** gives students the chance to learn more about a healthcare career and all it has to offer!

- Date: **Saturday 20th February 2021**
- Time: **9am to 5pm**

We believe that this event will be hugely beneficial for your students considering studying Dentistry at University. Please encourage students to apply before **Wednesday 17th February 2021 12pm** using the following link:
