PLACED Environmental Academy

PLACED Environmental Academy is a FREE youth-led programme of activities, events and professional development opportunities for young people currently in Years 9 – 12 who live in the Liverpool City Region (Liverpool, St Helens, Wirral, Sefton, Halton, Knowsley).

PLACED Environmental Academy participants will:

- Participate in creative projects and professional development activities through collaborative sessions and independent work (online and face-to-face).
- Increase their confidence, and develop knowledge and skills including design, communication, team working, presenting, problem solving, campaigning and community action.
- Benefit from direct support from industry mentors including architects, planners, interior designers, developers, environmental experts, researchers, and community leaders offering expert knowledge and unique insight into careers and study routes.
- Gain experience that will enhance their CV and university applications, helping them stand out from the crowd.

Key information:

The Academy is COMPLETELY FREE to attend

- All sessions take place outside of school time and require NO school attendance or support
- We are looking for young people with a range of interests and abilities
- It will consist of approximately 13 sessions between June – November 2021 and take place over Zoom with some face-to-face sessions in Liverpool.
- Participants must live in Liverpool, St Helens, Wirral, Sefton, Halton or Knowsley
- **Just 30 places are available.**

Applications are now OPEN and will close 10th May 2021.

More information can be found on the **Growth Platform** website under the [General Tab](#)

Kuehne+Nagel Liverpool, based at the Port of Liverpool Building, is looking for Customer Care Apprentices to start as soon as possible. The Apprentices will study for their Customer Service Level 2 qualification alongside working in the branch.

I wanted to share this job with you as I was hoping some of your students might be interested in applying. They can apply easily through the link here: <https://jobs.kuehne-nagel.com/uk/en/job/GB12749/Customer-Care-Specialist-Apprentice>

If you or your students have any questions, please let me know.

Thank you,
Joanna Freeman (she/her)
Future Talent Manager

The School of Digital Arts (SODA) would like to invite you to our Wednesday Workshops.

These engaging, interactive sessions have been designed to give you a taste of what it would be like to study on one of our amazing degree courses at **Manchester Metropolitan's School of Digital Arts (SODA)**.

You will get to meet our lecturers, who will take you through some of the processes they go through on the course and ask them questions about what it's like to work in their subject area.

To start the series off we have workshops in Animation, Future Media Production, Web and UX and Games Art running across four dates:

19 May, 14.30 - 15.30: Animation - Bringing Characters to Life!

26 May, 14.30 - 15.30: Future Media Production - What is Future Media Production?

09 June, 14.30 - 15.30: Web and UX – So what makes a good website?

16 June, 14.30 - 15.30: Game Art – Worlds from your imagination.

If you're interested to learn more about what it's like to study at degree level, then make sure you book onto one of our 1-hour sessions and find out. All sessions will take place via Microsoft Teams.

You can see more information about each session and book on using the below link:

Exciting news! We are hosting 'A spotlight on level 2 & 3 apprenticeships' on the 26th May 2:00 - 2:45pm. This is a great opportunity to inspire year 10 & 11 students to take the first steps in their career.

Please forward [this link](#) to your year 10 & 11 students and we would also love you and your colleagues to attend!

The webinar will walk students through how to apply for apprenticeships, which employers they can work for and will also include a panel session from real-life level 2 & 3 apprentices!

IBM Insight Evening

We have a very special evening event coming up with one of the biggest technology companies in the world; IBM.

On Thursday 13th May, 5pm - 6pm we'll be hosting an event with some of IBM's top Business & Technology leaders. This is the first time ever that we've been able to bring together some of IBM's most senior figures within the business to come and talk to us all about what it's like working for one of the world's largest tech companies.

It's open to all Y11 / S4, Y12 / S5, Y13 / S6, Y14 & university students.

At IBM, work is more than a job — it's a calling. To build. To design. To code. To consult. To think along with clients and sell. To make markets. To invent. To collaborate. Not just to do something better, but to attempt things you've never thought possible. To lead in this new era of technology and solve some of the world's most challenging problems.

Hear about some of the exciting projects they are working on as well as their school leaver opportunities, summer insight days and gap year placements.

If you'd like to apply to this event to find out more, please click on the application link below.

Application Link: <https://www.research.net/r/IBM-Insight-Evening>

At the University of Sheffield, throughout the months of May to June there are a number of (completely free) opportunities for Y12 pupils within your schools to join us for our online subject specific [Taster sessions](#).

Liverpool Webinar Series

Our team are running a series of webinars for students who are researching their university options. Our next session is *Why Liverpool* on 13 May. The full programme and booking links are on our [website](#).

Modern Languages Outreach

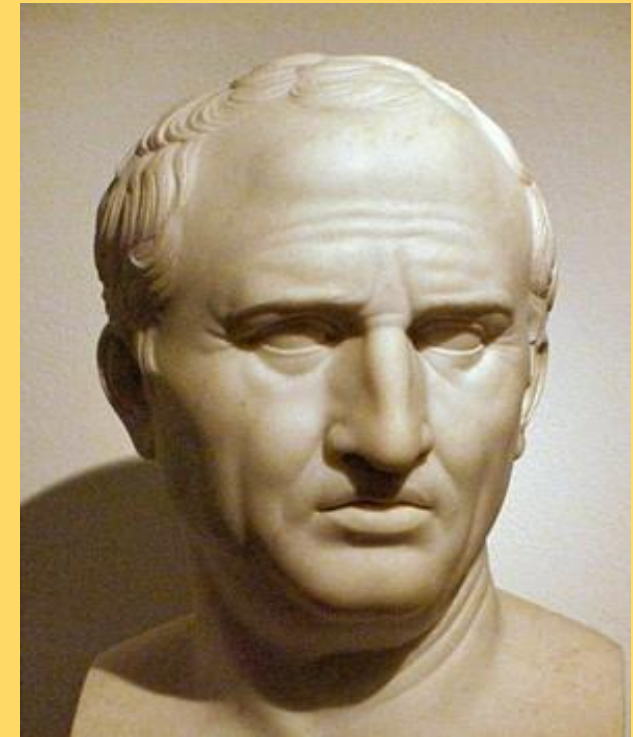

Our [Department of Modern Languages & Cultures](#) are delighted to offer online sessions for groups of GCSE and A level students. Details of the sessions and additional pre-recorded resources are on the [website](#).

Cicero and Horace Webinars

Our [Department of Archaeology, Classics and Egyptology](#) are offering free sessions on Cicero and Horace for A level Latin students. Registration can be made via the following links:

[Cicero: 15:00 - 16:00 Tuesday 18 May](#)

[Horace: 14:00 - 15:00 Thursday 20 May](#)

EDT (Engineering Development Trust)

With **additional places now available** on the [Insight into University](#) course the application deadline has been extended until 31 May 2021! This is a unique course for Year 11 & 12 students, offering a flexible access to a specially developed STEM content designed by leading UK universities and global STEM companies.

Also, our next [Routes into STEM](#) course for Year 9 & 10 students **starts in only 4 weeks!** Please tell your students to sign up ASAP, so they don't miss out to find out all the necessary information on different pathways: college and university and apprenticeship routes through industry.

Applications are still open for [Year in Industry Placements](#) 2021/22 – this is a fantastic way to test drive one's future career if unsure whether to continue into HE or go straight into employment and considers a paid gap year before an apprenticeship or studying a degree at university.

Make sure your students don't miss out! It is easy to do, - please **forward the following flyers to your students and their parents/guardians** and tell them to sign up ASAP:

- [Routes into STEM flyer](#) for Y9 and Y10 students
- [Insight into University flyer](#) for Y11 and Y12 students
- [Year in Industry Placements](#) for Y13 students

Join us for our first Virtual Open Days of 2021- Liverpool Hope University

Whilst we had hoped our Open Days would be back on campus by now, this will not be the case for our first two summer Open Days. The days will take place virtually, however we will continue to bring the best possible virtual experience to your students and allow them to get a feel for what being a Liverpool Hope student is like. Our two summer Open Days will take place on:

- **Friday 25th June**
- **Saturday 3rd July**

HSBC-Investing in Futures:

Apprenticeships play an important role in our business, and provide people an alternative route into a challenging and rewarding career with HSBC. We believe apprenticeships opportunities are one of the very best ways to equip people with the skills they need to succeed. We aim to be a true reflection of the customers we serve and communities we operate in, which is why encouraging talent from all backgrounds to join our business is so important to us. **Opportunities at HSBC:**

HSBC Foundation Apprenticeship opportunities are live now, all available opportunities can be found and applied to via our [UK Apprenticeships](#) page.

In the modern world, Diversity & Inclusion is such an important topic which, for many of you, will be a core driver in your early career decisions. We want to spotlight these themes, alongside detailing what opportunities are on offer at HSBC to help you think about your careers.

Insights Evening for Parents and Guardians – Opportunities & Diversity at HSBC UK 2nd June 18:30-19:30

This event is designed for Parents and Guardians of young people in the UK, to get to understand more about what a careers at HSBC could offer and answer any questions you might have.

Insights Day for young people – Opportunities & Diversity at HSBC UK 3rd June 12:00 – 16:00

This insight afternoon session explores Personal Branding including: what is a Personal Brand, how to discover and build your own, various career routes that are available to you and hear from series of panellists ranging from our own Careers team, ex-Apprentices, current Graduates and different D&I champions with HSBC.

To register for these events, please click [here](#)
