This shows one of the big advantages of SMHW. The teacher has added several resources to help the student with their homework. In this case they have given a PowerPoint presentation and links to useful websites. Videos can also be embedded.

If you or your child lose or forget your login details, there is still scope to find the homework set. Just by going to <https://stmargarets.showmyhomework.co.uk/school/homeworks/calendar> you can see all the homework that is currently set. The grey boxes with a green outline show the day homework is due. Green boxes show homework set (the little number in the top right of the box is the number of days until it is due in).
