

Our Ref: 058/18

Dear Parent/Carer

**Year 12 Biochemistry trip – Wednesday 23<sup>rd</sup> May 2018**

As a school we aim to give our students many opportunities to further their knowledge outside of the classroom.

As part of the Applied Science Btec course, the students must complete an assignment looking at the Health and Safety in two different scientific environments. One of the environments will be our school and the other will be the Royal Liverpool Hospital Biochemistry labs. The students have been allowed to visit this location to gain an insight of the Health and Safety Laws they need to follow and how they are doing it.

They will be leaving school at 12.30pm on Wednesday 23<sup>rd</sup> May and will be travelling on the minibus to the Biochemistry labs on Prescott Street. Students must assemble in the school's main entrance hall at 12.25pm and are due back in school at 3.30pm. The students will need to bring a packed lunch or have eaten before we leave. There is no cost for the trip. The staff accompanying the students will be Mr Martin and myself, Miss Lalgee.

We seek your permission to photograph your son during the activities, to be used for St. Margaret's publicity purposes only. Students will be expected to attend the event in full uniform. If you consent to your child attending the visit and the photographs being taken, please complete and return the reply slip below. As always, we expect the highest standards of discipline and effort and look forward to a successful and enjoyable day.

If you require any further information please contact me.

Yours faithfully,

Miss S Lalgee  
Science Teacher
