

Our Ref: 113/18

9<sup>th</sup> October 2018

Dear Parent/Carer

**Year 13 Science Live A-level – Monday 26<sup>th</sup> November**

As a school we aim to give our students many opportunities to further their knowledge outside of the classroom.

Science Live returns in spectacular style in autumn 2018. Five interactive and engaging sessions delivered by renowned scientists and communicators will inspire and motivate our students. A special session with hints and tips for revision and examination success will provide students with the tools to succeed. These are unmissable and tremendously popular programmes. The programme includes sessions on:

- Is man just another mammal?
- Demystifying the human brain
- Human progress
- Revenge of the microbes
- A brief history of everyone who has ever lived.

The day will enable students to understand more about various areas in Biology which are covered on their syllabus.

The day will be held at the Whitworth Hall, Manchester on Monday 26<sup>th</sup> November. Students must assemble in the schools main entrance hall at 9.15am and are due back in school at 3.30pm. The students will need to bring a packed lunch. The cost of entry is £23 plus VAT, however we do ask for a voluntary contribution of £25 to cover the travel expenses and the ticket. The staff accompanying the students will be myself, Miss Lalgee and Ms Kohoe (Biology student teacher).

We seek your permission to photograph your son during the activities, to be used for St. Margaret's publicity purposes only. Students will not be expected to attend the event in full uniform. If you consent to your child attending the visit and the photographs being taken, please complete and return the reply slip below. As always, we expect the highest standards of discipline and effort and look forward to a successful and enjoyable day.

If you require any further information please contact Miss Lalgee at St. Margaret's C of E Academy.

Yours faithfully

Miss S Lalgee  
Science Teacher
